

Manchester Water Works DRIVE/RIDE 60 Depot Rd. Auburn, NH

DATE & TIME _____

View of Tower Hill Pond

The outing will take place on the Manchester Water Works property, so please try to arrive in time for the briefing. You may go out any time after briefing. MWW has installed a gate that will make it much easier for the folks with large trailers to get into the field. The many loops and trails we all remember are open and there is a beautiful 6 mile loop around Tower Hill Pond. You may encounter bikes, and hikers with dogs; all dogs are required to be on leashes.

We will be opening up a gate up higher on Tower Hill Rd to avoid some rocky areas.
