**Loudon's Scenic

Woodland Trails**

**Outing for Carriages and Riders, free to GSCA members!
Sat. July 13, 2019, 9am — RAIN DATE Sun. July 14**

Our lovely new Outing site will be at 22 Wyman Road, Loudon, NH, the beautiful home of my friend and neighbor, Judith Merrow. As her guests we will enjoy the hilltop vista of surrounding towns, hills and valleys of our NH countryside.

Distance offered is approx. 6 miles for driving and riding. NEHT and Riders or Drivers seeking distance may do the route twice for 12.2 miles. Drivers follow local dirt roads with minimal traffic, with only one small section of tar.

You may choose to stay on the flat, smoother roads (out-and-back) or continue on to the unmaintained Class 6 woodland roads to complete a loop into Loudon and Canterbury woods and back. The woodland road has many hills and will be an energetic challenge for horses and riders! The woods road is rough but suitable for sturdy carriages and carts.

Ride out time will be at 9 AM.
Bring your own lunch and perhaps bring something to share with fellow horse people! Light refreshments will also be offered.

There are no facilities so please make your own arrangements for people-potty. We ask that you leave no trash, and please spread any manure across the fields.
